

The Rapporteur

September 2002 Issue 3

Consultative Committee for Space Data Systems

This issue of *The Rapporteur* is published by the Secretariat to announce upcoming space-related conferences and meetings that would be of interest to members and associates of CCSDS.

Fall 2002 CCSDS Meetings

NASA is hosting the Fall 2002 CCSDS Meetings on 30 September – 15 October 15, 2002 at Houston, Texas, USA in the Wyndham Greenspoint Hotel. The meetings are being held in conjunction with the 2002 World Space Congress and SpaceOps 2002. Meeting agenda and logistics are available at:

<http://www.ccsds.org/meetings/iws2002fall>

To celebrate the 20th Anniversary of CCSDS, there will be a reception at the hotel on Tuesday, October 8, from 1800 to 2000 hrs.

World Space Congress 2002

The World Space Congress • 2002 (WSC • 2002) combines the 34th Scientific Assembly of the Committee on Space Research (COSPAR) and the 53rd International Astronautical Congress (IAC) of the International Astronautical Federation (IAF), International Academy of Astronautics (IAA), and International Institute of Space Law (IISL). The congress will be held from 10-19 October 2002 at the George R. Brown Convention

Center Houston, Texas, USA. The World Space Congress 2002 web site is at:

<http://www.aiaa.org/WSC2002>

Speakers who are experts in their fields will highlight advances in the space science and engineering communities. The Congress will cover a wide range of space topics within Science, Technology, Infrastructure, Missions, Legal & Policy, Business & Applications, and Education & History.

SpaceOps 2002

Space Ops provides a central forum concerning Space Mission Operations and Ground Data Systems. The conference is sponsored by NASA Johnson Space Center and will be held October 9-12, 2002 in conjunction with The World Space Congress • 2002 at the George R. Brown Convention Center. The SpaceOps 2002 web site is at:

<http://www.spaceops2002.org/index.html>

A special CCSDS Plenary, "CCSDS; 20 years in Review", is scheduled for 1000 hrs on 9 October 2002 after the Space Ops opening ceremony in General Assembly Hall B. Agency representatives will present their past, present, and future use of CCSDS Recommendations. A question and answer session will conclude the session.
